2019 SUMMER TECH CAMPS

Explore the world of tech this summer with Pinnguaq and the Kawartha Lakes Public Library!

Intro to Coding & Computers

Lindsay Library Branch

Date: July 22 to 26, 2019
Time: 9 a.m. to 4 p.m.
Ages: 7-10
Cost: \$180 for the week

This one-week session introduces participants to basic coding concepts. Using video game design, kids will explore drag-and-drop coding for video games and computer animation. Designated physical activity programming will also be included to give kids time away from computers. Participants will gain an understanding of how computers think and how computers can be used to share experiences – all while expressing themselves through digital technology in a fun way.

Tech Day Sessions

Using robots, coding and games, learn about technology in a fun way during these day-long sessions. Participants will have the opportunity to understand how computers think and how computers can be used to share experiences – all while expressing themselves through digital technology.

These events are **free** and **everyone** is welcome to attend!

Bobcaygeon Library Branch

Date: August 12, 2019
Time: 1 to 4 p.m.

Kinmount Library Branch

Date: August 13, 2019
Time: 10 a.m. to 2 p.m.

Kirkfield Library Branch

Date: August 14, 2019
Time: 3 to 6 p.m.

Omeme Library Branch

Date: August 15, 2019
Time: 1 to 4 p.m.

Woodville Library Branch

Date: August 16, 2019
Time: 10 a.m. to 2 p.m.

Coding Boot Camp

Lindsay Library Branch

Date: July 29 to August 2, 2019
Time: 9 a.m. to 4 p.m.
Ages: 11-14
Cost: \$180 for the week

Participants will create animations, stories and games while learning to program using Scratch. No prior knowledge is required – youth will be introduced to basic coding concepts, but will explore more in-depth projects. Physical activity, board games and digital software will be used to discover how computers work and how computers can be used for creative self expression.

Minecraft Camp

Lindsay Library Branch

Date: August 19 to 23, 2019
Time: 9 a.m. to 4 p.m.
Ages: 7-9
Cost: \$180 for the week

During this one-week session, participants will learn to play Minecraft and explore its complete functionality. Principles of teamwork and collaboration will highlight physical and online work, as kids will work together to create a unique realm that belongs to this camp. Activities will be themed around Minecraft and include both programming exercises and creative design.
